Feral Swine Rental Agreement
Metal Drop Gate

The overarching goal of renting Feral Swine Traps is to protect agricultural and natural resources, property, animal health by managing damage caused by feral swine. *Wild hogs are a significant problem for landowners due to their rapid population growth and the extensive damage they cause.*

The goal is to remove hogs in a humane way.

The Grant Soil and Water Conservation District **will not** tolerate cruelty.

DO NOT

- Leave hogs in trap for extended times (over 24 hours) caught doing so Grant Soil & Water will cancel your agreement.
- Use any form of social media to unload disposing of hogs
- Upload pictures or videos tagging Grant SWCD Facebook page

I, _____ agree to pay the Grant Soil & Water Conservation District \$350.00 monthly rental fee. After 3 consecutive months of renting the monthly fee will drop to \$300 monthly.

I also agree to pay a refundable deposit of \$200.00.

In the event the hog trap is used for cruelty, negligence or misuse by agents or me. I agree to surrender the deposit. I understand I will no longer be able to rent out Grant Soil & Water feral swine traps.

In the event the feral swine trap is damaged due to negligence by agents or me. I agree to surrender the deposit and to pay any repair costs that exceed \$150.00 deposit

I further agree to use the feral swine trap in a respectful manner. I have inspected the trap and agree that it is in good working condition. I agree not to make modifications or alter the trap and will comply with the transport and operating instructions.
